Hi Adolph – here's a redline and updated clean version incorporating NJDEP's comments. I'm happy to change things further if this doesn't meet their needs. Thanks, Norm

Hi Norm,

Hope you had a good Thanksgiving. Just wanted to check on the status of incorporating the state's comments to provide a joint response to the Chemours/AECOM risk calculations memo. The next principals meeting is scheduled for this Friday and we'd like to provide the response to Chemours prior to then, if possible. I think we'd also propose a follow-up meeting among the EPA/DEP/Chemours risk teams to discuss, if you agree.

Please let me know, and thanks.
